MASS GRADING IMPROVEMENTS FOR PROJECT SOTER

BERKELEY CO.

Sealed proposals for Mass Grading Improvements for Project Soter within the Camp Hall Commerce Park owned by Berkeley County, South Carolina (the "Owner") will be received by Berkeley County, South Carolina in the Berkeley County Council Chamber, Room 125, located at 1003 Highway 52, Moncks Corner, South Carolina 29461 until 2:00 p.m. local time on July 14th, 2015 at which time they will be publicly opened.

The project consists of the following generally described work: Clearing, earthwork, rough grading, installation of storm drainage, and erosion control improvements for approximately 650 acres.

Construction Plans, Specifications, and Stormwater Pollution Prevention Plan (SWPPP) may be obtained from Thomas & Hutton Engineering Co., 1501 Main Street, Suite 760, Columbia, South Carolina 29201 upon payment of \$500.00 (plus shipping charges as applicable) beginning on June 22, 2015. An electronic copy of the AutoCAD files and SWPPP will be provided upon payment and receipt of Electronic Release Form. The payment is non-refundable.

Bids shall be accompanied by a bid bond or certified cashier's check in an amount not less than 10% of the base bid. All bonds shall be by a surety company licensed in South Carolina with an "A" minimum rating of performance and a financial strength of at least five times the contract price as listed in the most current publication of "Best's Key Rating Guide Property Liability." Performance and Payment Bonds, each in an amount equal to 100% of the contract price shall be required of the successful bidder if contract is awarded. Each Bond shall be accompanied by a "Power of Attorney" authorizing the attorney-in-fact to bind the surety and certified to include the date of the bond.

Owner reserves the right to reject any or all Bids, including without limitation, the rights to reject any or all non-conforming, nonresponsive, unbalanced or conditional Bids and to reject the Bid of any Bidder if Owner believes it would not be in the best interest of the Project to make an award to Bidder, whether because the Bid is not responsive or the Bidder is unqualified or of doubtful financial ability or fails to meet any other pertinent standard or criteria established by the Owner. Unless all bids are rejected, award will be to the lowest responsive, responsible Bidder.

CORONER'S FACILITY – RICHLAND CO.

RICHLAND COUNTY, South Carolina is soliciting sealed and competitive bids from qualified contractors for the Coroner's Facility, Design.

Sealed bids clearly marked "Coroner's Facility, Design Project Bid No. RC-636-CN-2015" shall be accepted by the Richland County Office of Procurement, 2020 Hampton Street, Suite 3064, Columbia, SC 29204 until 2:00 PM, Eastern Standard Time (EST), Wednesday, July 1, 2015. Bids will be publicly opened in Conference Room 4072. Bids will not be accepted after the above date and time.

A non-mandatory pre-bid conference will be held in the Richland County Procurement Office 2020 Hampton Street, 4th floor conference room 4072, Columbia, South Carolina at 2:00 PM, Tuesday, June 16, 2015. A site tour will follow at 6300 Shakespeare Road, Columbia, South Carolina 29223. All interested contractors and subcontractors are invited.

Access to digital bid documents may be obtained from the Consultant's virtual plan room by contacting Jerome K. Simons (jsimons@gmka.com) 803-256-000, GMK Associates Inc., 1201 Main Street, Suite 2100, Columbia, South Carolina 29201

Specifications and Drawings May Also Be Viewed at the Richland County Procurement Office located at 2020 Hampton Street Suite 3064, Columbia SC 29204

The work under this Contract will consist of:

The scope of work includes, but is not limited to, the renovation of an existing one-story, 19,715 square foot area pre-engineered building located at 6300 Shakespeare Road in Columbia, SC. Upon completion of the work, the facility will house Richland County's Coroner facility. The existing building is composed of a pre-engineered steel frame structure veneered with masonry on one face and metal panels everywhere else. The roof system is also prefinished metal panels typical of an engineered building. A split system heat pump system will be used for the majority of the spaces with a energy recovery unit providing outside air. Finishes will include, but are not limited to: VCT, ceramic tile, carpet, acoustical ceilings, paint and casework. Other interior work will include basic electrical services, electrical life safety systems, technology items. A evidence storage area will be incorporated into the building to include CMU wall construction. There will also be infrastructure installed for an owner provided and installed security system. The package also includes site work, utilities, paving and curb & gutter.

Bidders must be legally qualified under the provisions of the South Carolina Contractors Licensing Law. Bids shall remain valid for approximately sixty (60) days after opening of bids. Bids must be sealed with name and address of bidder, Contractor's License Number and accompanied by a Bidder's Bond, for 5 percent (5%) of the amount of the bid. Bid Bond will be duly executed by the bidder as principal and having as surety thereon a surety company licensed to do business in the State of South Carolina. Successful bidder will be required to furnish a satisfactory Performance and Payment Bond each in the amount of 100 percent (100%) of the bid.

Richland County reserves the right to reject any and all bids, portions thereof, to waive minor technicalities and informalities, and to make an award deemed in its best interest.

DETENTION CENTER NETWORK CABLING

Description: Dorchester County is inviting sealed bids for the implementation of a structured cabling system for the new Detention Center presently under construction. The cabling system will be designed to provide voice and data requirements in a VoIP environment as well as coaxial cabling to support CATV. The desired results are a product meets all current applicable wiring standards and provides all the needed components to ensure a "turnkey" solution.

Bid Notice Number: 2015-2352-4531-28

Location: 201 Johnston Street, St. George, South Carolina 29477

Closing Date/Time: Tuesday, June 30, 2015 at 4:00 P.M., local time

Site Visits: May be scheduled until 3:00 PM, Tuesday, June 23, 2015 by contacting the Project Contact(s) listed below. Site address is 202 Hodge Road, Summerville, SC 29483

Bid Security Required: Yes (Five Percent)

Performance and Payment Bond Required: Yes (100 Percent for Each)

Bid Opening: Dorchester County Purchasing Department
201 Johnston Street
St. George, SC 29477
S.G. Stephens, Jr., CPPO, Procurement Director

Specifications/Construction Plans: Purchasing Department
Phone: 843-563-0142 or 832-0142

E-Mail: sstephensjr@dorchestercounty.net

Vendor Registration: <http://bids.dorchestercounty.net>

Vendors that have not registered are to go to the above website, register and then download the bid documents-Commodity Code 962-18

Project Contact: Major Van Doran at 843-563-0266 or Michael Boatwright at 843-832-0024. (Questions must be submitted on module)

Website: <http://www.dorchestercounty.net/index.aspx?page=1>

Deadline for written questions (on module) is 6/23/2015 at 5:00pm.

ASBESTOS ABATEMENT & BUILDING DEMOLITION FOR TOWN OF CHERAW

The Town of Cheraw, Is Seeking Bids from a licensed Asbestos Abatement Contractors for the removal and disposal of asbestos containing materials & demolition of six (6) residential structures.

You Are Invited to Submit a Bid in accordance with the specifications in the Invitation for Bids package. The Contract will be awarded to the contractor having the lowest total bid for all residential structures.

The Project is Being Funded in Part by a Community Development Block Grant (CDBG #4-V-13-001) awarded to the Town of Cheraw through the SC Department of Commerce. The successful firm shall comply with all requirements of the CDBG program. All federal, CDBG requirements will apply to the contract. Bidders on this work will be required to comply with the President's Executive Order No. 11246 & Order No. 11375 which prohibits discrimination in employment regarding race, creed, color, sex or national origin. Bidders must comply with Title VI of the Civil Rights Act of 1964. Bidders must also make positive efforts to use small & minority-owned business & to offer employment, training & contracting opportunities in accordance with Section 3 of the Housing & Urban Development Act of 1968.

Responders Must Document Positive Efforts to Use small & minority & women owned business, if applicable. To obtain a copy of the Invitation for Bids package, contact Mary Helen Geries, Project Manager, 843-669-3138, mhgeries@sc.rr.com.

All Questions Concerning This Solicitation Must Be Submitted In Writing To the above.

Bid Opening will be 7/13/2015 at 10:30am at the Town of Cheraw, 200 Market Street, Cheraw, SC 29520.

No late bids will be accepted. This solicitation does not commit the Town of Cheraw to award contract or pay any costs incurred in the preparation of the Bid or to procure or contract for services. The Town of Cheraw Is An Equal Opportunity Employer.

Intent to Sole Source

SOUTH CAROLINA

DEPARTMENT OF TRANSPORTATION

The South Carolina Department of Transportation is seeking information for Structural Health Monitoring (SHM) System. Following are the specifications for the system:

1. Requirements for the system:
 - a. Proposed sensor system software shall be capable of remote upgrade, remote rebooting, remote diagnostics, remote changes to sensor data capture frequency and reporting times, and capable of capturing "on demand" readings at any time.
 - b. Proposed controller system shall capture and store the data locally, then transmit the data wirelessly to a Network Operations Center (NOC), for secure storage and 'on-demand' data accessibility to any number of preauthorized personnel. Such NOC should have a demonstrated data reliability of five 9's, or 0.99999.
 - c. Proposed sensor system will be furnished by one entity responsible for system integration on a turnkey basis.
 - d. Proposed sensor controller will be configured to allow capacity for future upgrades on a TBD basis.
 - e. Proposed sensors and systems must be compatible with currently deployed structural monitoring technology.
 - f. Proposed sensor system must have the ability to "alarm" the sensor readings with interrogations every minute, then providing e-mails or other electronic means of contact to key SCDOT personnel if predefined limits of displacement/strain /crack growth or propagation are exceeded.
 - g. Sensor capable of capturing both current and maximum displacement/strain values (without uninterruptible power supply).
 - h. System must have an information presentation protocol that utilizes the Internet, allowing SCDOT engineers to view the complete sensor database 'on-demand' from their desktop computers, download the captured data on Excel spreadsheets, or capture new data "on-demand".
2. Requirements for use of maximum strain sensors:
 - a. Proposed sensors shall have two channels, capable of capturing both current and maximum displacement/strain readings (either tension or compression);
 - b. The maximum displacement/strain channel must also be capable of capturing maximum displacement/strain data without power.
 - c. Proposed sensors shall be used for both instantaneous and maximum displacement/strain; and be capable of use in applications for crack growth/propagation; and out-of-plane bending.
 - d. Proposed sensors shall be housed in rugged casing, have a calibrated resolution of <3 microns and accuracy of <5 microns.
 - e. Proposed sensors shall capture maximum displacements of up to 11mm without continuous power supply.
 - f. Proposed sensors shall be capable of surviving in harsh outdoor environments and be fully cover-able after installation.
 - g. Proposed sensors shall have a maximum displacement/strain channel that is manually re-settable.
 - h. Proposed sensors should have a of successful deployment in field applications including bridges, buildings, parking decks, tunnels, etc. in outdoor or harsh environments, improving owner reliability
 - i. Proposed sensor technology and system configurations shall have broad application use, e.g. displacement, strain, crack width, crack propagation, out-of plane-bending, and element to element displacement (bearing to member), reducing system complexity and owner costs.
 - j. .
 - k. Proposed sensor technology will have proven field durability without maintenance, reducing owner costs.
 - l. Proposed sensors will not require field calibration or periodic temperature correction, reducing owner costs and complexity.
 - m. Proposed sensors can be configured to read either tensile or compressive displacements/strains.
 - n. Proposed sensors can be reused, reducing owner costs.
 - o. Proposed sensor technology shall be use-able on either steel or concrete members, increasing owner flexibility.

If you have a product that meets or exceeds the above specifications or if you have questions please contact Vickie Stephens at stephensvw@scdot.org by 6/17/2015.

Cooperative Purchasing Notice

NOTICE OF INTENTION TO JOIN A MULTI-STATE COOPERATIVE PROCUREMENT FOR TRAINING PROCUREMENT PROFESSIONALS

This is public notice that the State of South Carolina, Materials Management Office, proposes joining with the Commonwealth of Virginia, Department of General Services, to establish a comprehensive, statewide, contract(s) with a qualified vendor(s) to provide training for procurement professionals. The Commonwealth of Virginia, as lead state on behalf of NASPO ValuePoint, will issue a Request for Proposal (RFP), for the purpose of establishing multiple award contracts to be used by the Commonwealth of Virginia, Participating States, and eligible entities that have signed a Participating Addendum. Additional States may join at a later time by signing a Participating Agreement. The resultant contracts will have a two (2) year initial term with up to four (4) additional one-year renewal options.

The Solicitation is now available to download online at:

<https://vendor.eprocgipdc.com/loginEngine/index.jsp?openDoc=openDoc&DocumentCode=RFP&DepartmentCode=E194&DocumentID=141&DocumentVersNo=1&Destination=pSolicitation>.

Please look for RFP E194-1922.

Lead State: Commonwealth of Virginia Department of General Services, Division of Purchases and Supply
Request for Proposal Number: RFP E194-1922

Closing Date & Time: 07/16/2015 1:00pm Eastern Time

Contact DPS Statewide Strategic Sourcing Officer, Katherine Bosdell, in writing, with questions about the specifications or other solicitation documents no later than 3:00 PM on July 6, 2015. Verbal requests for information will not be accepted.

If you would like to discuss South Carolina's participation in this cooperative procurement with the State of California, please email Kimber Craig at KCraig@mmo.sc.gov.

SCBO NOTICES

RICHLAND COUNTY SLBE STAKEHOLDERS MEETING

Richland County, SC invites small business owners to attend the RC-SLBE Stakeholders Meeting scheduled for June 29, 2015 from 5:30pm to 7:00pm. The meeting will be held at 2020 Hampton Street, (Administration Building, Council Chambers), Columbia, SC 29204.

Attendees will be provided: 1) Information on requirements for SLBE certification status; 2) Benefits of establishing a SLBE status; 3) How to participate in contracting opportunities with the Penny Sales Tax Project, and Richland County opportunities; and 4) Information on potential subcontracting business opportunities.

Registration: <https://slbestakeholdersmeeting.eventbrite.com> or 803-576-1540.

JOB OPPORTUNITIES AT B&CB

The Budget and Control Board's Division of Procurement Services is looking for experienced Procurement Managers and a Senior Architect. Please read more about these opportunities below:

VENDORS, DON'T NEGLECT TO CHECK THE STATE'S FIXED PRICE BIDS

If authorized by the original solicitation, the State may use "competitive fixed price bidding" to create procurements with an open response date. These fixed price bids are advertised in SCBO once, but the solicitation may provide for bids to be accepted continuously or periodically during the contract term. The links below take you to a listing of all open solicitations conducted by the central purchasing office using the competitive fixed pricing bidding rules.
